## REPORT FOR THE QUARTER ENDED 30 SEPTEMBER 2022

**Bioxyne Limited** (ASX Code: BXN) (Bioxyne or the Company) is pleased to report on its activities for the quarter ended 30 September 2022.

### Highlights

- **Cash balance at ~\$1.9 million**
- **Revenues 37% down on QTR1 FY22 attributable to timing of PCC™ shipments**
- **Second order of ColosNZ PRO for SE Asia billed in the quarter**
- **Post quarter end sale of 49% of Direct Selling Business**

### Results

Sales revenue (unaudited) for the quarter ended 30 September 2022 was \$0.5 million ( 2021: \$0.8 million), -37% reduction on the previous year with the timing of shipments of wholesale PCC™ slipping into the next quarter.

The second order of ColosNZ Pro was billed during the quarter. The Company has developed a number of additional colostrum products which should be manufactured to order in Q2 FY2023. The Company's new Asian partner (see ASX Announcement 24 October 2022) is now working to re-launch a number of the Group's products, including MyMana (to be packaged in Indonesia) and BK18, to greater Asia.

The Group made the first sales of its colostrum coffee product (Col-Coffee™) in the quarter, and received a Certificate of Registration from the World IP Office (WIPO) for the product in China, Malaysia and Indonesia. Interest in this exciting new wellness consumer product is encouraging.

The unaudited result for the quarter is a loss of approximately \$60k (FY2022: unaudited profit \$135k). Overheads were 14% below the same period in FY2022.

The Company had a cash outflow for the quarter of \$345k. Cash at the end of the quarter \$1.875m.

## Product

The Bioxyne product suite comprises:

**Lactobacillus Fermentum PCC®** - patented strain of probiotics wholesale to contract manufacturers for use with their clients' consumer probiotics

**Progastrim™** (PCC®) - clinically tested proprietary patented probiotic, for general gut health and immune support

**Mymana™** – colostrum and fortified milk formula for nutrition and immune support

**ColosNZ PRO™** – enhanced colostrum and fortified milk formula for nutrition and immune support

**Col-Coffee™** - three in one instant coffee mix with colostrum

**BK18™** – NZ dairy-based formula with probiotics and vitamins for general health and immune support

**Allura™** – weight management and beauty drink for women

**Mustang™** – weight management and vitality shake for men

## New business opportunities focus

With the recent sale of 49% of our Direct Selling Business to Paramount Star Investments Limited, the Company is funded to actively seeking acquisitions of businesses or products to broaden its operating base which would build shareholder value.

## Corporate

Payments to related parties and their associates during the quarter of \$70,000 comprise director and non-executive director salaries, fees and superannuation.

## Sale of 49% of Direct Selling Business

Post quarter end the Group sold a 49% interest in its Direct Selling Business to a private equity group based in Singapore. This will enable the Company to leverage a partner with a greater reach in Asia and accelerate the direct selling business.

The consideration is \$1m in cash and the placement of 25,000,000 shares in Bioxyne at \$0.04 per share, being \$1,000,000. The shares are escrowed for various periods up to eighteen months. This structure provides incentive for our Asian partner to have an interest in developing the direct selling business and also having a keen interest in building value in Bioxyne.
